## Family Business Since 1830

The Stevens Company has been a pillar in the Canadian healthcare community since 1874 and stands as one of the largest medical supply distributors in Canada today. Originally founded in 1830 in London, England, the company is still owned and operated by the Stevens family, now in their 6<sup>th</sup> generation. Over the decades, Stevens has continued to grow and today has six distribution centres across Canada in Toronto, Vancouver, Calgary, Winnipeg, Halifax, and most recently, Montréal. Stevens has an experienced staff, including 50 sales representatives and product specialists to serve our customers.
